RICKARD SHAKES HEAD SADLY AFTER SEEING BLACK ON REFEREE

San Francisco, May 14.—Tex Rickard, who is mightily worried these days over the prospects of a continued deadlock in the selection of a referee for the Jeffries-Johnson fight, paid another visit to the Johnson camp today, but came away shaking his head sadly.

While Tex was not inclined to be communicative, it is known that he suggested to Johnson that he accept Eddie Smith of Oakland as the referee, and that Johnson flatly refused to listen to any such proposition. Rickard is of the opinion that the two fighters are not going to reach any agreement, although there is a slight possibility that Eddie Graney will be selected.

Sam Berger is opposed to Graney, however, and denies that there is any truth in the story from Ben Lomond to the effect that Jeff was willing to accept Graney.

"For a number of reasons," said Berger, "I can't talk about the matter, but there is nothing to the story that Graney is acceptable to Jeffries."

Notwithstanding both boxers have reiterated their desire to see a Californian selected as referee, there is an undercurrent of feeling that it is in the cards to name an eastern man and the local sporting critics are up in arms, declaring that above all other things a Californian must be named for the position.

Johnson is going ahead with his training, and unless approached on the subject, ignores the referee dispute. While he is handling that end of the discussion instead of leaving it to Manager Little, the black champion seems to think that matters will come out all right in the end.

Late this afternoon there was a report around the Johnson camp that there was a further disagreement occurred the promoters would ask the sporting editors of the San Francisco

dailies to come into conference with him to name the referee. The only reason for such a plan would be because Rickard and Gleason might not care to assume all of the responsibility.

Johnson was on the road this morning, leaving his hotel until shortly after 11, and had a run of something like twelve miles. After he returned he played ball for a time, and this afternoon was racing around the park boulevard in his automobile. Quite late in the afternoon he once more played a little ball before having his dinner.

All arrangements have been completed for the first work in the gymnasium, and the initial boxing that will come tomorrow afternoon.

The champion has six rounds of sparring on the program and has announced that he will put on the gloves with George Cotton, the big colored boxer from Chicago, and also with Martin Cutler, who has been with him since the arrival of the party in this state. If the weather is good the negro is bound to have a banner house as people are considerably worked up over him and want to see how he shapes up.

A FAST HIGH SCHOOL FIVE

Brigham City High School.

In the northern division of the State High School league Brigham City was one of the live ones. The basketball boys played a hard, clean game and made them all give a victory over the Salt Lake High school was one of the bright spots of the season.

Scotch Soccer Men Predict Another Bannockburn Affair

There was joy in the camp of the Scotch soccer players when they noted the acceptance of their challenge, handed to their English cousins last week. Regarding the "hot air" they published about putting it all over the Scotches, well—that's a national characteristic, which they cannot master.

With a knowing smile the Scotches say they are used to such talk and promise to keep up the record of a big majority of games won by the canny Scotches in the past.

So the battle of Bannockburn will be fought next Saturday at 6 p. m. prompt, at Fort Douglas. The barpies also will be in evidence, and Joe McBeth will lead the Scotch on the field to those martial strains, which in times past have carried them on to victory.

The committee selected the following lineup: Goal, McMorris; right back, Stewart; left back, Graham; right half, Cook; center half, Harrower; left half, Adamson; outside right, Hutchison; inside right, Buchanan; center, Barrington; inside left, Stevenson; outside left, Montgomery.

MATT REIS RULED OFF.

Oakland, Cal., May 14.—As a result of alleged criticism of the stewards of the new California Jockey club, the recent suspension of Jockey Kederis, Matt Reis, a well known owner and trainer, was refused admission to the race track yesterday, and his badge was forfeited. In addition, the stewards also ruled that the horses which formerly belonged to Reis and have recently been turned over to Joe Tighe should be ordered off the track and their entries refused in the future.

Trainer Tighe, who is in good standing at the track, is not affected by the ruling against Reis.

PROSPECTS BRIGHT FOR RACE MEETING OF CLASS AT OGDEN

Ogden, Utah, May 15.—The coming meeting of the Wasatch Jockey club at Ogden beginning May 25, and continuing for ten days, is arousing unusual interest among horsemen and racegoers now in this vicinity.

With over two hundred and fifty horses now here and at Salt Lake, among which are many of the star performers of Oakland, Pimlico, Juarez and Jacksonville the keenest contention may be looked for.

Starter Joseph Weber and his assistants will arrive shortly. Mr. Weber, while comparatively unknown to local racegoers, is one of the most prominent of the younger starters, having officiated at Vancouver and Victoria last summer, and Anaconda, Mont., at which places his starting gave universal satisfaction. Mr. Weber uses the work-up system of starting, which is used at all of the larger eastern tracks and is being adopted by the leading starters. Judging from Mr. Weber's work in the past his starting will prove a decided innovation.

Secretary Earl McQuade promises that the program for the first part of the meeting will be issued this week and that it will be replete with features that will compare favorably with any track in the west.

Numerous applications have been received from bookmakers at Oakland and eastern points, which with the local colts will make sufficient competition in the ring to insure favorable betting conditions.

BASILE IN SIMPLEX HOT BASEBALL TODAY WINS AUTO RACE AT WALKER'S FIELD

Record Stands, But Spectators Are Pleased—Another Race in June.

Brighton Beach, N. Y., May 14.—Charles Basile, driving a Simplex car, won the 24-hour automobile race of the motor racing association tonight, completing 1,145 miles. Ralph Mulford, driving Stearns No. 1, finished second, 25 miles behind Basile, while Ralph De Palma, in a Fiat, was third, with 1,107 miles. The record for the time is 1:19 1-2. Ten of the twelve starters finished.

The race cost the life of one man, the serious injury of another, and minor hurts to two others. William F. Bradley, mechanic for Louis Strang, sustained injuries that caused his death. A broken leg and internal hurts, and William Jordan, Kaiserhoff, Coppers, 112; driver and mechanic of the Cole, were sent to the hospital with painful, but not dangerous, injuries.

The two cars that dropped out of the race were the Stearns No. 2, which broke a cylinder in the ninth hour, and the Houpt-Rockwell, which was withdrawn after completing 671 miles in 21 hours.

From the standpoint of the spectator, the contest was the best and most spectacular ever held. Large crowds, large crowds. Announcement was made tonight that another race under similar conditions will be held late in June.

The positions of the other cars at the finish were: Fourth, Buick No. 1, 1,049; fifth, Rainer, 1,047; sixth, Croxton, Keeton, 1,044; seventh, Marion, 989; eighth, Buick No. 2, 927; ninth, Cole, 768; tenth, Selden, 718.

Amateurs—Wm. Berryessa, J. A. McNeil, A. Brobeck; Jack Hume, R. Diefenbacher, Franz Mayer, Arthur Rodberg and John Obey.

The opening meet is but two weeks away, and there is a rustling of the fans that tells of the popularity of the old game.

LEGGROAN WINS THE DASH

Finish of the "Century."

One of the surprises was the defeat of Gallacher of the L. D. S. in the 100-yard dash at the state school meet yesterday. The star sprinter of the Salt Lake team explained to Leggroan, the speedy Granite colored boy, Campbell of the L. D. S. and Romney of the Salt Lake High school, although his outside position on the track was a handicap. The finish of the dash was one of the most hotly contested of the day.

BUENA VISTA STAKE NOMINATIONS

The Utah Jockey club yesterday announced the complete list of stake nominations for the Buena Vista meeting which starts June 6. Not more than a glance is needed to show that the seven rich features of the meeting will be contested for by a class of thoroughbreds seldom equaled in the west. Practically all of the California stake horses are entered and from the east and south names of favorites at the Jacksonville winter meeting are seen.
